

PRECAUTIONARY MEASURES: HEALTH

Avoid contact with skin, eyes and clothing. Avoid ingestion and inhalation. Where there is risk of prolonged personal contact, protective clothing, including gloves and goggles must be worn.

PRECAUTIONARY MEASURES: STORAGE

Store in a dry place between 15 degrees C and 25 degrees C. Keep away from food and food containers, sunlight and fluorescent lights. Keep out of reach of children.

PRECAUTIONARY MEASURES: WASTE DISPOSAL

Burn in an incinerator fitted with suitable scrubbing device for removing acid gases or bury in an approved landfill site in accordance with the Control of Pollution Act. Observe all Federal, State and Local laws.

EMERGENCY MEASURES: FIRE FIGHTING

Broad Spectrum MICROTABS II will decompose on heat producing corrosive gases. Self-contained breathing apparatus should be provided for firemen fighting fires in confined spaces.

Water spray, Foam and Carbon Dioxide are suitable extinguishing agents.

EMERGENCY MEASURES: SPILLAGE

Immediately sweep up and remove, avoiding creating dust. Clean the area with detergent and water.

EMERGENCY MEASURES: FIRST AID

Eyes: Immediately irrigate with water for at least 10 minutes and obtain medical attention.

Skin: Swab affected skin with water or soap and water.

If Swallowed: Wash out mouth thoroughly with water. Give water to drink. If indisposition results, obtain medical attention.

If Inhaled: Remove to fresh air. If discomfort persists, obtain medical attention.
